Body Marking: Make sure to wear your bib # on the front and outside of all clothing. This will help us ensure accurate back-up timing at all splits.

Winning Time Chip Timing: You will receive our timing chip on event morning at the Timing Chip Pick Up Tent. All chips should be secured to your **LEFT ANKLE** with the Velcro strap provided and not hidden under heavy clothing. You are responsible for the return of your chip to the timing officials at the finish line. Failure to return your chip for any reason will result in a \$50.00 replacement fee. THERE WILL BE NO EXCEPTIONS TO THIS RULE.

- **NOTE: You must have your run number with you on race morning to pick up your timing chip.**
- **NOTE: Do not cross any timing mats between 11am-1pm on race day unless you are racing.**

Pre-Event Instructions/Meeting: A short pre-race briefing with important information and instructions will be given at 10:45 am at the run start location on Saturday. Please plan to be there!

Pick Up Your Trash: We ask you to be considerate and not throw debris on the ground during the run and bike. Littering compromises our chances of staging these races at selected venues. It also makes it difficult for staff and volunteers following the race. It will also get you DQ'd if a USAT official catches you! Please help us out and look for trash bins - there will be plenty of them scattered around the course.

Awards: Award presentation will begin immediately after the last finisher completes the race. The estimated time for the awards ceremony is 1:00 pm.

Results: Results will be posted throughout the race. Complete results will be posted on www.fsseries.com by 9pm on Monday (1/18).
